

SET YOUR SITES ON BIG PROFITS

Connect any NetVu Connected Dedicated Micros product to the RemGuard monitoring service and we will give you up to £600!*

RemGuard Visual Management provide the ultimate CCTV remote monitoring service for both commercial and residential customers throughout Great Britain.

For every new site you connect to the RemGuard RVRC, RemGuard will give you cashback determined by the duration of the Monitoring Agreement.

- ▣ If your customer signs a 3 year Monitoring Agreement, you will receive £600!**
- ▣ If your customer signs a 1 year Monitoring Agreement, you will receive £200!**

*This offer is only available if you have fitted a Dedicated Micros DS2, SD or DV-IP NetVu Connected product supplied by you and cannot be used in conjunction with any other RemGuard offer. **Paid monthly over the first 12 months of the agreement. Terms and conditions apply.

The benefits of using RemGuard as your preferred monitoring service include:

- ▣ Full compliance with BS 8418-the British Standard for Detector Activated CCTV systems
- ▣ Level 1 police response to criminal events (BS 8418 systems will be issued with a URN guaranteeing level 1 police response)
- ▣ All criminal events are notified to your customer and/or authorised keyholder(s) immediately
- ▣ System/site management reports to customer and installer by fax
- ▣ Free signage for Data Protection compliance

You can also become a RemGuard Approved Installer and take advantage of additional benefits:

- ▣ You receive 10% commission from all ongoing monitoring charges
- ▣ Free monitoring of your own CCTV system- RemGuard will subsidise 50% of the cost of RemVu Aquila VTU and charge £1.00 per minute for any alarm activity.
- ▣ No ongoing standard charges.
- ▣ Free training
- ▣ Free technical support
- ▣ Comprehensive customer sales literature
- ▣ Marketing support

There are numerous benefits of using RemGuard as your preferred monitoring service. For more information and to take advantage of this offer, please contact one of our sales team on:
